Arlington Public Schools provides bus transportation for all students within the limits and guidelines established by the state of Washington.

Bus rules are given to each student at the beginning of the school year.

School bus transportation is a privilege that may be denied any student who does not demonstrate acceptable behavior.

## Emergency Conditions

Changes in bus schedules or routes will occur only during severe weather or emergency conditions. If it becomes necessary to close the school or to run on limited schedules for any reason, information will be broadcast on local radio stations.

All students who ride the school buses will receive bus schedule information from their school concerning changes in bus schedules and routes in case of severe weather or other emergencies.

## First Day of School Reminders

1. For the first two weeks of school it is normal for the buses to run five (5) to ten (10) minutes late in the morning and ten (10) to twenty (20) minutes late in the afternoon. Please wait at the stop. If you go inside to use the phone you may miss the bus.
2. We ask you to have your children ride the bus both morning and afternoon runs. There is much less confusion getting home when the driver and your child recognize each other. If you plan to escort your child to class the first day, may we suggest you follow the bus and meet them at the school.
3. Please do not use the bus zones at the schools during load and un-load times.

## In Case of Delayed Start Times or School Cancellation

- Local TV, radio stations, and [www.schoolreport.org](http://www.schoolreport.org) will announce any delay of starting time or school cancellation.
- If you hear NO announcements from TV or radio stations, schools are open on the regular time schedule.
- If schools are closed for emergency reasons for one day, they will be open the following day unless information to the contrary is announced by TV, radio, or [www.schoolreport.org](http://www.schoolreport.org)
- **The decision to delay or close schools is usually made by 5:30 a.m. However, conditions can change quickly. Parents are the best judges when it comes to their child's safety.** If you feel the conditions or circumstances in your area are unsafe for your child, please keep your child at home and remember to contact your child's school to let them know your child will be absent.

## County Road Closures
