Background Information:

The Arlington Education Foundation has donated over 2.3 million dollars to the Arlington School District for the purpose of completing the Byrnes Performing Arts Center. This donation of \$10,929.44 is the result of closing the last investment account of the money the foundation raised for the BPAC.

Administrative Consideration:

We do not anticipate additional significant donations from the Arlington Education Foundation to be applied to the Byrnes Performing Arts Center. However, on occasion the foundation may accept donations that will be specified for the BPAC.

All funds are deposited into the Capital Projects Fund.

Superintendent’s Recommendation:

That the Board accepts this donation of \$10,929.44 from the Arlington Education Foundation to be applied to the construction cost for the Byrnes Performing Arts Center.
