Submitted by:           Mark Ehrhardt, Director of Technology,          

Date:                     April 27, 2009                    

**Background Information:**

US Marine/Bayliner Marine has donated 65 used 19" CRT computer monitors and assorted small peripherals to the Technology Department.

**Administrative Consideration:**

The monitors are valued at \$75 each for a total of \$4875. The equipment will be paired with desktop pc's to build low cost student labs.

**Superintendent's Recommendation:**

That the Board approves the donation from US Marine/Bayliner Marine.
