Submitted by: _____ Karl Olson, Principal, Pioneer Elementary

Date: _____ April 27, 2009

Background Information:

Pioneer Elementary PTSA is donating \$1,450.00 to our school music department to purchase a sonar bass metallophone. This purchase allows our students to have access to a full range of instruments for both performance and learning purposes. The approval for this donation took place during the March 17, 2009 PTSA general meeting.

Administrative Consideration:

Pioneer Elementary PTSA members have worked alongside Mrs. Schultz, General Music Teacher, in order to collect box tops that can be turned in for cash. The funds donated to our school have been raised through this program so that there are enough funds for this purchase.

Superintendent’s Recommendation:

That the Arlington School Board of Directors approves the donation of \$1,450.00 from the Pioneer Elementary PTSA to Pioneer Elementary for the purpose of purchasing a sonar bass metallophone.
