Action

Page(s): Cover Only

Submitted by: Sid Logan, Executive Director of Operations

Date: April 27, 2009

Background Information:

In the past 6 years we have purchased 12 new full sized school buses. The Board recently approved the purchase of an additional full size bus, bringing the total of new buses to 13. We have not surplused school buses in the past 3 years.

Administrative Consideration:

The need for replacing older buses was discussed at the March 9, 2009 Board Study Session. The three buses being surplused have been used beyond their intended useful life. All three buses are fully functioning and legal.

Bus #	Make	Year	Capacity	Vin	State bus #
10	Bluebird	1979	78	14404	8437
11	Bluebird	1979	78	14405	8480
35	Carpenter	1980	66	B14282	9033

We will first attempt to sell these buses to other school districts. If the buses cannot be sold to other school districts we will auction them off.

Superintendent's Recommendation:

That the Board declares three (3) used school buses to be surplus.
