CALENDAR**

Submitted by: Ed Aylesworth, Stillaguamish Valley School Principal

Date: June 8, 2009

Background Information:

Each year, the Parent Advisory Team of Stillaguamish Valley School (SVS) works with SVS families and staff to design a calendar suited to the unique needs of SVS students and families. A waiver of the AEA agreement was approved by the AEA and the District in 1998 to allow SVS to set its own calendar. This is the 11th year of presenting the SVS calendar for approval.

Administrative Consideration:

The SVS calendar contains the appropriate number of student and staff days, and has the same major vacations and holidays as the District-wide calendar. It has also been requested by families that we return to the practice of having a 9th week enrichment at the end of each quarter. Because spring testing will be on a different timeline next year, it has been possible to accommodate this request. This will allow for greater opportunities for enrichment, end-of-quarter class activities, and portfolio reviews.

The calendar also reflects the reduction of one Learning Improvement Day (LID) for staff resulting from a reduction of State funding.

Superintendent’s Recommendation:

That the Board approves the 2009-2010 Stillaguamish Valley School Calendar.
