Date: _____ October 13, 2008 _____

Background Information:

Annually, the Board of Directors enters into a written contract for employment with each instructional and administrative staff member. According to Board Policy 5140 *Employment Contracts*, and RCW 28A.405.210, contracts must be in conformity with laws of this state and are for a term not to exceed one year.

Administrative Consideration:

With these contracts being presented, regard has been given to incorporate district and employee needs. Negotiations were a collaborative problem-solving process for both district and employees.

Instructional and administrative staff we consider to be employees as of this date are Major Jon Michael Blue, JROTC Aerospace Engineering Instructor; Sergeant Alvin Moore, JROTC Instructor; Marlie Griffin, Educational Program Manager, Special Programs; and Jim Bassett, Network Administrator.

Contracts for the classified exempt and contract for the non-supervisory exempt group employees have also been completed for the 2008-2009 school year.

Superintendent's Recommendation:

That the Board approves the contracts of those persons and groups named above for the 2008/2009 school year.
