Submitted by: Ken Winkes, Director of Support Services

Date: October 27, 2008

Background Information:

At the October 13, 2008 meeting, the Board approved a list of items to be sold as surplus property. Following that approval, it was determined that one of the items on the list could be of use to the District.

The surplus sale is scheduled for Saturday, November 1, 2008 from 9:00am – 1:00pm.

Administrative Consideration:

Support Services would like to remove one item (Delta drill press) from the surplus list that was approved at the October 13, 2008 Board Meeting. This drill press would be moved from the high school to Support Services for use in the maintenance shop.

Superintendent’s Recommendation:

That the Board approves the deletion of the Delta drill press from the surplus property to be sold.
